Amazon.com: The Oxford Handbook of Religion and Ecology ... The last two decades have seen the emergence of a new field of academic study that examines the interaction between religion and ecology. Theologians from every religious tradition have confronted world religions past attitudes towards nature and acknowledged their own faiths complicity in the environmental crisis. Orion Magazine | Dark Ecology Mr. Kingsworth, you have quite the ability to give me goosebumps and make me question everything I do. As a college student studying forestry, while engaging myself in environmental and sustainability movements, your essays have often sent me into crises of faith, causing me to completely reevaluate what I'm doing.
